Surface Mount Fixtures

LOW PROFILE

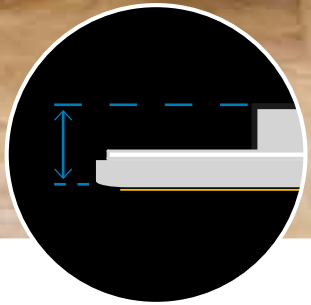

BIG STYLE

Keystone's Ova brand includes an entire range of surface-mounted fixtures, including round, square, panel, and closet-rated. With a sleek low-profile aesthetic and advanced features, including 5 adjustable color temperatures and 90 CRI, these fixtures are ideal for a variety of residential and light commercial applications, particularly multifamily dwelling units. Look beyond the surface for lighting that exceeds your expectations.

and ETL Listed

ROUND

SURFACE MOUNTS

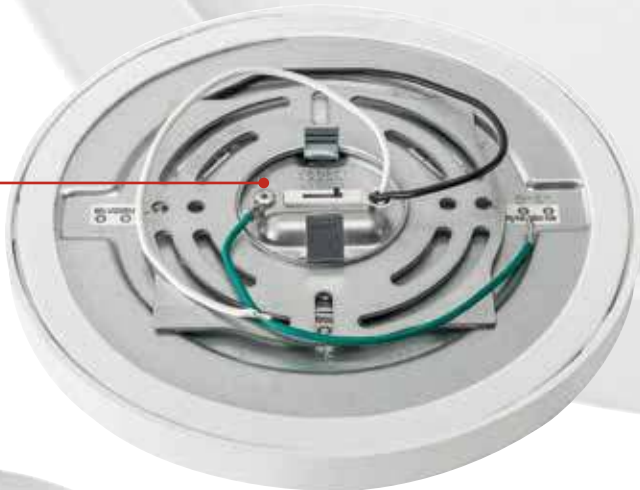

A variety of sizes and options
in a sleek aesthetic.

Keystone's Ova Round Surface Mounted fixtures are available in a wide range of options: multiple sizes, multiple wattages, a dependable Keystone dimming driver, and three trim finishes. All feature a 90 CRI, come with 5 selectable CCT, and they directly mount to a junction box for easy installation.

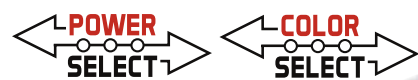

Round

Our round surface-mounted fixtures offer a slim design and come in sizes and wattages to fit your project. They feature Color Select and a high 90 CRI, offering beautiful, customizable light for your space.

Round C-DIM

Powered by a Keystone driver with combination dimming—0-10V, TRIAC, and reverse phase – these circular downlights offer 2 selectable wattage settings and 5 selectable CCT. Available in 5 different sizes.

DISK LIGHT

SURFACE MOUNTS

Efficient and unobtrusive
overhead light.

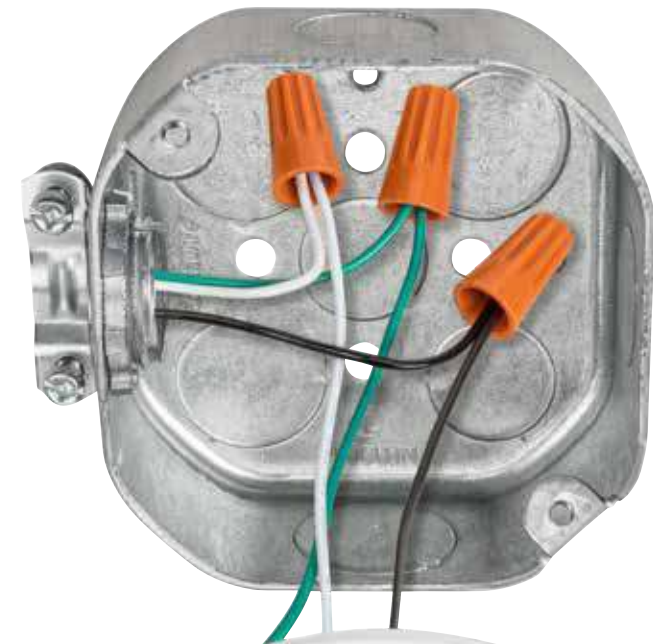

Keystone's Ova line of Disk Lights is ideal for both light-duty commercial buildings and multi-dwelling unit (MDU) structures such as condominiums and apartment buildings. These surface-mount disk lights offer improved aesthetics vs. screw-in lamps while using the same easy screw-in installation. They mount directly to a junction box or retrofit into a wide range of existing cans, and their flush mount offers a clean, modern appearance.

DISK LIGHT

SURFACE MOUNTS

Direct Mount

Connects directly to the junction box.
Simply remove the twist-off lens, connect
to power, and secure

Bracket Mount

Can connect directly to J-box or screw in with E26
base adapter

Contractor Prime

With dedicated wattages and color temperatures
