AUGUST 2026

DURABLE, HIGH OUTPUT Retrofit Lighting

Our HID Replacement High-Output Cob Lamp features **outstanding lumen output, long life, and dependability.**

Long-lasting durability
Design assures maximum output even in high temperature conditions and helps prevent failure

Integrated cooling fan
delivers improved heat dissipation and helps ensure excellent performance over lamp lifetime

Adjustable outputs
give installers and contractors maximum flexibility

Keystone driver
offers guaranteed reliability, reducing maintenance

It extends **Light Made Easy®** throughout your environment.

Base Type Options
E26 & EX39

Typical Applications

EXCEPTIONAL EFFICACY
Up to 174 lm/W

PRECISION ENGINEERING
Thermal management and rugged materials key to design; select models use ball bearings to reduce wear, support consistent airflow

RANGE OF WATTAGES
9W-450W

POWER SELECT

INNOVATIVE ARCHITECTURE
Driver is positioned for optimum venting and heat dissipation

COLOR SELECT

3000K 4000K 5000K

Features & Benefits

- Wide voltage range: 120-277V and 277-480V versions available; simplifies jobsite compatibility
- UL Type B Direct Drive: Ballast bypass operation with 4kV surge protection
- Instant on, mercury-free, and suitable for cold environments
- DLC Listed

Powerful High Voltage Models (277-480V)

Our high-voltage variants offer potent luminosity and expand compatibility across legacy HID systems.

- Outputs up to 71,000 lumens
- Lamps from 120W-450W
- Increased energy efficiency
- Outstanding performance over long runs

HID REPLACEMENTS

A Full Portfolio

Keystone offers a complete line of HID replacements for a wide range of retrofit and new construction applications.

Vertical

The ideal way to upgrade legacy metal halide high bays to LED. Features a ballast bypass design; compatible with Keystone SmartPort sensors.

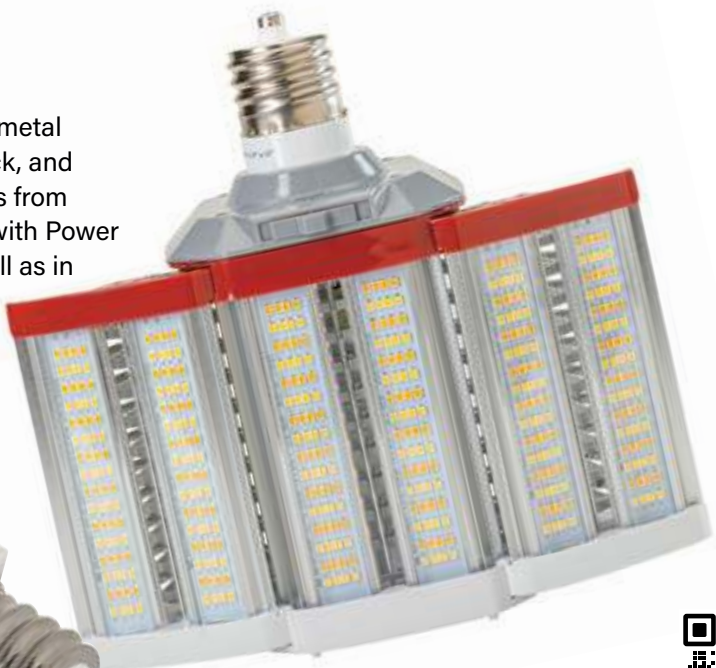

Omni-Directional

Compact but powerful lamps for wall packs, canopy fixtures, or shoebox fixtures, available in selectable wattages, color temperatures, and dedicated offerings.

Horizontal

Optimal for upgrading metal halide canopy, wall pack, and parking lot light fixtures from HID to LED. Available with Power and Color Select as well as in dedicated offerings.

LEARN MORE

FREE LIGHTING LAYOUTS

Keystone offers complimentary lighting layouts

for our products. Simply fill out the form with a few key details, request a layout, and our lighting designers will get to work on your request.

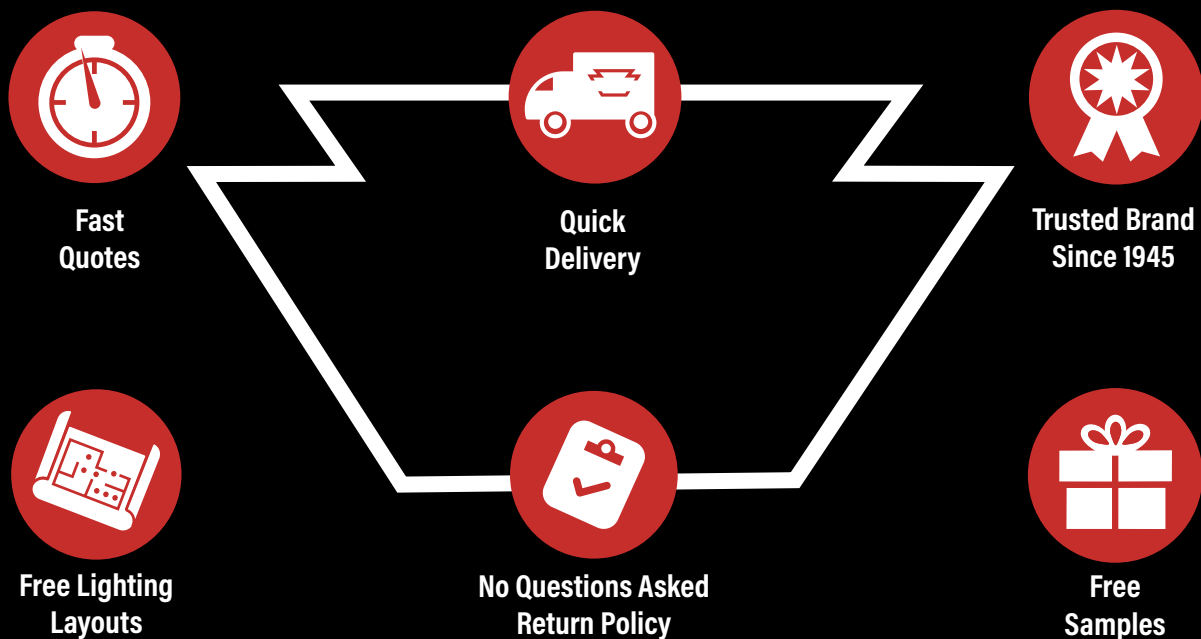

They'll recommend the types of lamps that are best for your applications and how to save the maximum amount of energy—all within budget.
