

XFIT SPORTS LIGHT

SINCE 1945
KEYSTONE
LIGHT MADE EASY®

May 2025

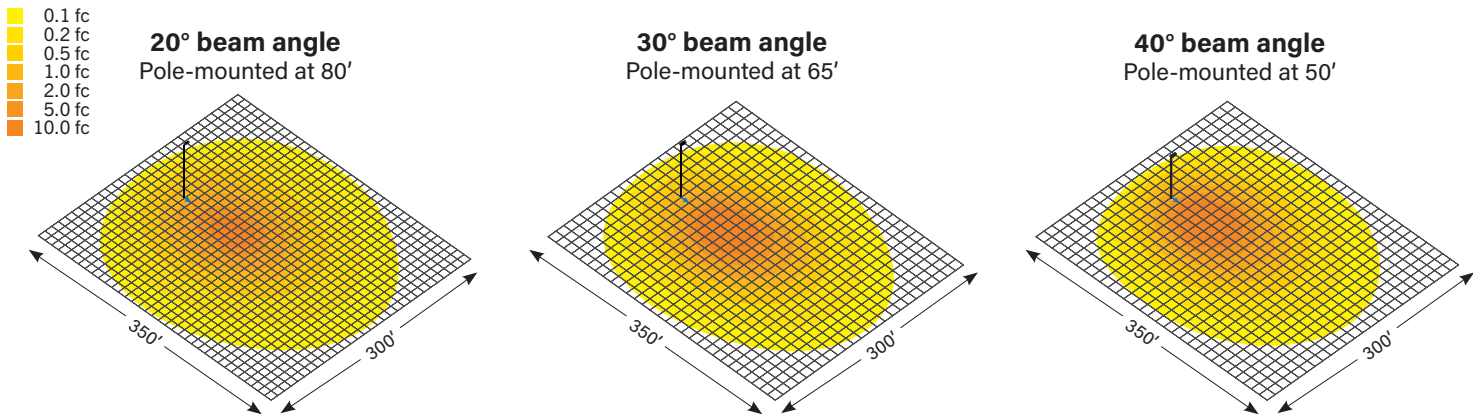

A powerful fixture with a distinctive feature — the ability to mount the driver remotely.

With simple installation, access, and maintenance.

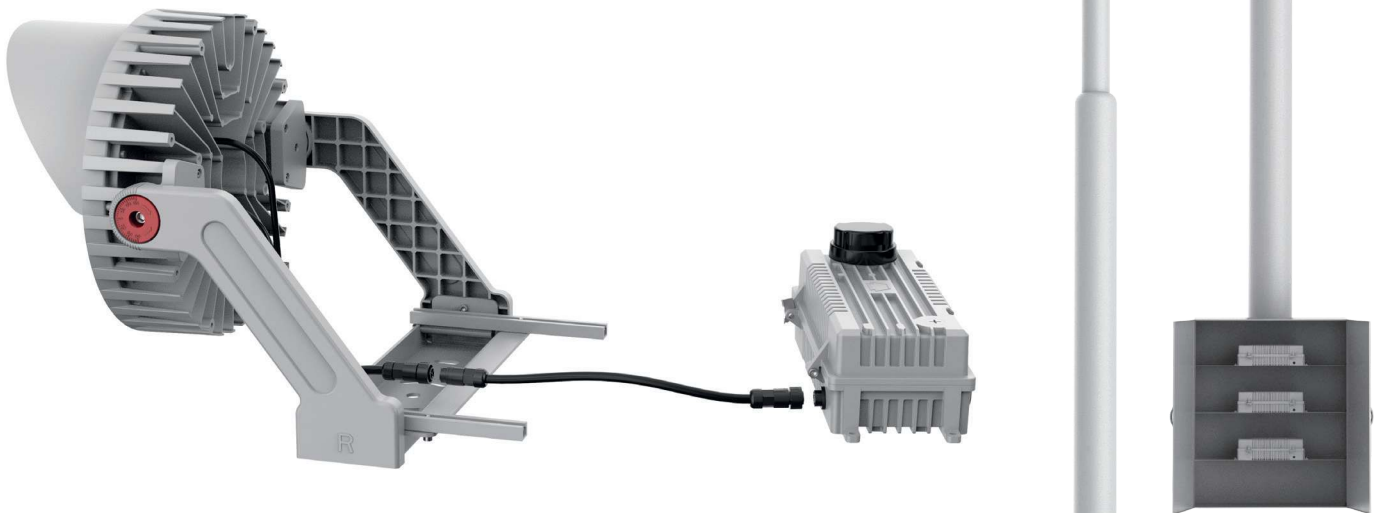

Available in:
500W / 70,000 Lumens | 750W / 105,000 Lumens

Multiple lens options:
Ensures uniform, proper lighting (30° standard; 20° & 40° optional)

Mounting options
With the remote mounting capability, you can bank drivers at the bottom of the cabinet for service while placing fixtures up to 164' (50m) high using extension cords (sold separately).
