

Keystone's Solid State LED Undercabinet system features sleek design with superior, maintenance-free performance with an LED life up to 50,000 hours. Utilizing industry leading Nichia LEDs and an integral Keystone Technologies driver, these fixtures are perfectly suited for high-end installations that demand cutting edge design with ultimate LED efficiency.

LEDs:

- Manufacturer: LG
- Rated Life: 50,000 hours
- Color Temp: 3000K, Warm White, Comparable to Halogen

DRIVER:

- Manufacturer: Keystone Technologies
- PN: KTLD-12-1-380-FDIM-AF1
- 120 Volt Input
- 12 Watt Max, Constant Current @ 380 mA
- UL 1310 Class 2 Power Supply
- Type 1 Outdoor, Suitable for Dry and Damp Location

HOUSING AND CONSTRUCTION:

- Extruded Aluminum
- Standard Finish: Premium Powder Coated in White
- Sleek 1" Profile
- Lens: Highly Diffused Plastic Lens for Even Light Distribution

DIMMING:

- Phase Control Dimming
- Suitable for Use with TRIAC Dimmers

APPROVALS:

WIRING AND SWITCHING:

- Convertible 120V input with either Direct Wire or Cord and Plug; Knockouts provided for either configuration
- Linkable between fixtures using linking connector cords (when spacing between fixtures is desired) or double-ended connectors (for continuous fixture mounting); Maximum number of linked fixtures is 32
- Pre-Installed On/Off Rocker Switch

PACKAGING:

- Contents in Each Fixture Carton:
 - LED Fixture
 - 3 Prong SPT-2 Power Cord (5' Length)
 - 18" Linking Connector Cord
 - Mounting Screws (2 pcs.)
 - Die Cast Coupler
 - Instruction Sheet

WARRANTY:

- Fixture Construction: 2 years
- Driver: 5 years
- LEDs: 5 years

DIMENSIONS

MODEL	FIXTURE SIZE			WATTAGE	TOTAL LUMENS	EFFICACY
	LENGTH	WIDTH	HEIGHT			
UC-LED-12	12"	3.5"	1"	8W	450	56 lm/W
