TOOL-FREE LENS CHANGE

Lens optics can be switched out by simply releasing 4 latches

All in the box

Fixture with Power & Color Select

2 Optic Lenses:
High-Wattage - 90° installed; 60° included
Low-Wattage - 90° installed; 120° included

**2 Mounting Accessories:** O-Bolt and J-Hook

optic⧓swap
Tool-free lens optimization

The same fixture can be used to customize light for various spaces—just switch out optic lenses on site. With OpticSwap, Keystone's tool-free lens-changing technology, all you have to do is undo 4 latches. You can use one fixture across an entire project.

The ultimate in adaptability

With a variety of customizable features, our XFit Round High Bays can be used for a variety of spaces on a single project, eliminating special orders and simplifying installation. Available sensors and emergency options make them even more versatile.

90° Optic Lens | 150W

120° Optic Lens | 150W
