1. Dimmer Compatibility is performed with specific date codes. Please contact Keystone for more information on date code of dimmer tested.
2. Keystone Compatibility testing does not make any guarantees of performance or lifetime for dimmers listed on this chart.
3. All dimmers were tested with a max load of 150W. Performance above 150W is not guaranteed.
4. For optimal performance and dim range, low end trim adjustment may be required depending on the load connected and the dimmer being used.
If dimmer does not have low end trim adjustment, some products may have limited dim range.
5. All data subject to change.
