

KT-SH-4L-CABLE-KIT

CABLE MOUNTING ACCESSORY FOR 1–4 LAMPS

DESCRIPTION

Cable mounting accessory for Sign Hero LED lamps, 1–4 lamp application.

APPLICATION

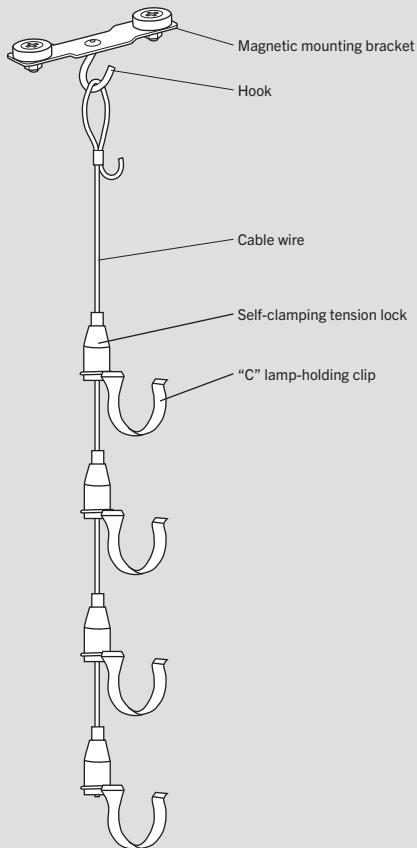

Designed to prevent lamp sagging for horizontal applications over 8' long.

FEATURES

Cable kit includes magnetic mounting bracket and hook which can also be reinforced with (2) tee screws (included), cable wire with (4) self-clamping tension locks, and “C” lamp holding-clips.

CABLE MOUNTING

1. Secure mounting bracket and hook to underside of fixture.
2. Adjust self-clamping tension locks to preferred height by raising vertically. To lower, unscrew bottom of lock to adjust.
3. Set lamps in “C” holding-clips.
